In 1973, the founders Big Five Tours & Expeditions pledged to fulfill a commitment to the fledgling company they launched in Nairobi. Their primary aim was to show travelers coming to Africa the grandeur and subtleties of this remarkable continent from a perspective of lifelong residents. They succeeded in their mission by designing unhurried and insightful itineraries that revealed the unique aspects of Africa's cultures, wildlife and natural wonders.

Today, Big Five continues to honor that tradition. In Asia & the Orient, Africa, Latin America, South Pacific and the Polar Regions, each tour combines the exhilaration of personal discovery and the delight of learning with the pleasure of experiencing the finest services through our meticulously planned and implemented itineraries.

Big Five Tours & Expeditions remains committed to satisfying the interests and elevated expectations of

today's travelers. Our richly enhanced travel programs provide expert professional tour guides, who convey the richness of a region's history, culture, geology, botany, animal behavior, ornithology or anthropology. These enthusiastic experts carry on the Big Five tradition of giving our guests more than a vacation. We strive to bestow lifetime memories.

Specially designed tours to more than 44 destinations reinforce the ideals of eco-tourism and soft adventure travel. Big Five guests explore tranquil paths in exotic places. They enjoy rewarding contacts with local people and an appreciation of regional cuisines. They experience native cultures and gain greater awareness of and understanding for conservation issues. And foremost, our guests journey in comfort, style and safety in the most remote wilderness.
